Highgrove One Crystal Tiblis

Exclusive Clear and Coloured Crystal designs combine deep cut clear bevels, intricate backing textures and a splash of dynamic colour.

Un complexe bouquet de verre biseauté avec des centaines de ramous, créant des prismes exquis de lumière dans votre hall d'entrée.

Individuelle Glasspiralen, die mit verschiedenen Schichten exquisite Lichtprismen durch Ihren Eingang funkeln lassen – ein wunderschönes End Resultat.

Unique, vivid and contemporary styles, skilfully handmade by fusing together different colours of molten glass.

- L'effet est un dessin moulé au doux, apportant au vitrage des couleurs en profondeur et un style vif, contemporain et audacieux.
- Der Effekt ist ein einzigartiges
 Design mit weichen Übergängen,
 das die Glasfarbe und die
 Türfüllung durchplastische, klare
 und zeitgenössische Stile lebendig
 erscheinen läßt.

Please Note: The fused jewel is smooth and takes the texture from the selected backing glass and is available in a choice of colour options.

Colour options for the Balmoral & Kensington Panels

Kensington Two Fused Jewels - Blue

Exclusively commissioned Triple Glazed designs with brilliant cut glass bevels, hand set and nestled between finely patterned backgrounds with platinum coloured lead work.

Le summum de luxe parmi les vitrages de porte. Il s'agit d'un assemblage de verres biseautés brillants montés par une méthode de plombage traditionnel, ensuite encadrés sur un fond de verre dont le dessin a été soigneusement sélectionné.

Der Effekt ist ein einzigartiges Design mit weichen Übergängen, das die Glasfarbe und die Türfüllung durchplastische, klare und zeitgenössische Stile lebendig erscheinen läßt

Accessories

A wide range of door furniture is available in a choice of white, black, gold and chrome colour options.

Core materials

Our door panels are manufactured using advanced technology that bonds two PVC-U skins to a variety of core materials ensuring the integrity of the panel for heat and moisture. Depending on the degree of security required we offer a choice of core material. Our Type A Expanded Polystyrene is BS 476 classified, totally recyclable, non toxic and inert. It contains no CFC's or HFC's and contains a fire retardant additive tested to BS 4735, formulated to restrict the extent of burn.

wale it Personal!

Create your very own unique door with our personalised glass option. Using an advanced technology known as direct digital glass printing (DDG), we can take any image you want and reproduce this directly onto your door glass - now you really can make your own personal statement! This unique process is fully guaranteed and is weather and UV fade resistant. Ask for more details!
